

ACVM Group Vet Workshop 2004 Registration Form

These workshops will cover:

- The ACVM Act for Vets - what has changed and why has it changed?
 - How does it affect you?
 - What are your legal obligations under the Act?
 - How does the Code of professional Conduct relate to the ACVM Act?
- Where can you source information on setting withholding periods by Vets where they are not stated.
- Where can you source information on what you **CAN** do regarding:
 - Use of human medicines
 - Discretionary use of registered Vet Medicines
 - Compounding products
 - Importation of products by Vets

And any other queries you as a Vet may have.
