MANUFACTURER'S DECLARATION FOR REGISTRATION CERTIFICATION

This declaration is provided solely for the purpose of registration of the named product with the appropriate authority in the designated importing country, and is not authorised for any other purpose.

On this date, I declare that the New Zealand dairy products designated herein;

- (i) are manufactured in New Zealand and any milk that is of New Zealand origin is subject to heat treatment sufficient to destroy pathogenic organisms; and
- (ii) are manufactured in premises operating under a risk management programme registered with the New Zealand Food Safety Authority and can manufacture products for export markets and for free sale within New Zealand; and
- (iii) are processed, manufactured, packaged and handled in accordance with New Zealand regulatory requirements for dairy products intended for human consumption, including (as relevant):
 - the Food Act 1981 and all regulations issued by notice pursuant to section 42 of the Food Act 1981, unless exempt, and/or;
 - the Dietary Supplements Regulations 1985 (if relevant).
- (iv) are accurately described by the product description shown below.
